Artist Title: Acceptance is Kindness

Artist Statement:

Acceptance is being able to recognize and honor something without any attempt to change or diminish it. Racial and sexuality based discrimination is real and accepting people for who they are is the most forthright, the most honest and the most pragmatic form of kindness. Also, living with the gift of diversity and unabashedly being your true authentic self is equal parts an act of self reflection and an act of kindness to future generations who will face the same questions and the same barriers.

Letter from the President:

Little Star's Global Art Competition has launched! A New Art Competition to Discover Unknown & Unsung Artists, Help Children & Bring Healing Art to the World. Grand Prize! Star Support! This is an unprecedented opportunity globally for aspiring artists age 8 & older to create original Art with the theme "Kindness." I am donating my 2019 Wimbledon Legends Competitor Check. I am asking people around the world to match my donation, if your generosity is more or less, give whatever you can. Children in hospitals, schools & orphanages will benefit and they need our combined help. Little Star's Global Art Competition is open for anyone Kindergarten age and older.

Art helps transform the spirit, body & intellect. Art Programs relieve stress, reduce pain, strengthen communication skills, improve strategic & creative thinking & increase empathy & social tolerance.

I am grateful to Special Sponsors of Little Star's Global Art Competition, Snoopy and Peanuts Creator, Charles Schulz's widow, Jeannie Schulz, Super Model Cindy Crawford, Tennis Legend Betsy McCormack, 2019 Wimbledon Champion Simona Halep, WTA Charities, American Tennis Champion Sam Querrey and more from Wimbledon and around the world who are stepping up to help.
